Bethany, West Virginia

We apprehend the mind will grow,  
If exercised each day  
And thus we rear a book so grand  
Which never will decay.

1950-1976

The 1977 Bethanian has not been a problem-free yearbook. There have been trials and tribulations, but, nevertheless, it does exist.

The 1977 Bethanian has a lot of gaps between its cover. There are scores of pictures that should have been included, but are not – for a variety of reasons.

The 1977 Bethanian does have a spirit and that spirit is here – in spite of the fact that too many sports teams, housing units, clubs, activities, faculty members and seniors are not.

Apologies are extended for the missing material and a promise will be kept that the 1978 Bethanian will materialize and will include all that is expected – and more.

Patricia Phelps: Homecoming Queen

President Tucker crowns the queen.

Homecoming was special this year. Bethany had its annual football game, soccer game and women's field hockey game.

We also enjoyed the music of Roy Buchanan Friday night, and Lester Lanin and his Orchestra Saturday night for the homecoming dance.

Patricia Phelps was chosen Queen during halftime of the Bethany-Thiel football game which Bethany won 19 to 7.

# Vincent Bugliosi

Bugliosi addresses students in Benedum Commons.

Vincent Bugliosi, chief Prosecutor of Charles Manson and co-author of the best selling novel, *Helter Skelter: The True Story of the Manson Murders*, spoke on Nov. 16th. His lecture proved to be fascinating and informative.

At the end of his presentation, there was a question and answer period. Bugliosi expounded on the bizarre Manson "family" and their lifestyle.

Bugliosi signs autographs for students.

The Bisons had an overall 4-5 season this year under head coach Don Ault.

One of the bright spots of the season was the amazing turnout of freshmen.

Leading the team in scoring was sophomore Mark Sniegocki, the Bison booter and Bill Lisotto at halfback.

The defense was headed by seniors Kerry McCann and Al Cardamone and junior Vince Distazio.

Tri-captains for this year's team were seniors Bob Nani, Kerry McCann and Gus Sandonas.

The field hockey team looked impressive this year with some real standouts.

The team is basically young, they work together well as a team, and the future looks good.

Who's got the ball? Wendy, Alison, Sue or Amy?

Coach Hanna and Sue Fash talk over a plan.

Women's Tennis had a lot of strong points this season. The girls have been working pretty hard and take the game seriously. They have had good training, but lack a lot of experience.

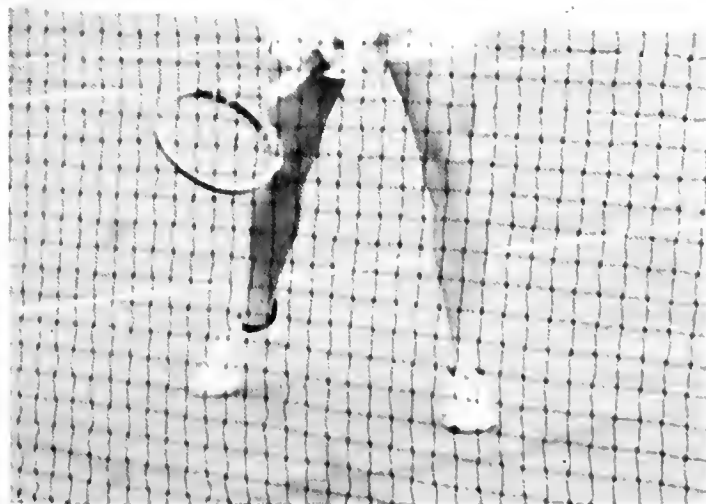

The team does look good for future and next year may be a winning season.

## Thanks . . .

Special thanks is extended J. Dana Garner, Bethany College photographer, for all his work toward the 1977 Bethanian. Another special thanks goes to Debbie Pyle, Communications major and Publications Office aide. Their tireless efforts and good humor were called upon often.

Bethany College admits students of any race, color, sex, religion and national or ethnic origin.
